All frame surfaces are of the highest quality laminates meant to last a lifetime.

Note regarding custom frames: Customers can visit the following websites (wilsonart.com, formica.com, chemetalco.com, nevamar.com & abetlaminati.com) and pick almost any laminate to use as a Piquarium frame.

Custom orders will have an added charge of \$250 for laminates and \$400 for metals.

All Piquariums Include*

- The Piquarium Hidden Triple Filtration System (patent pending) including:
 - Mechanical filtration foam which catches all visible matter and waste
 - Chemical filtration carbon bags for odorless and crystal clear water - 1 year supply
 - Biological filtration ceramic bio-media which breaks down waste and creates a healthy, positive biological environment for your fish
- Live bacteria to accelerate tank cycling
- Cabinet (which mounts to the wall and holds the tank in place)
- Mounting bracket
- Acrylic tank
- Aquarium heater
- Air pump
- Air pump check valve
- Airline tubing
- Lighting system
- Gravel vac/water change siphon & hose
- Long handled algae scrubber
- Sinking tropical fish food - 1 year supply
- Fish net
- Water treatment solution - 1 year supply
- Bubble wand
- Power strip
- Thermometer
- Assorted plastic plants & coral

*A \$300 Value. This equipment is usually purchased separately with other aquariums.
